

OLD BOY

OLD BOY uses a blend of First Gold, Cascade and Willamette hops to balance the **Optic Malted Barley** and **Wheat** in this chestnut coloured Premium Ale.

Yeast is the Hallmark of a natural Beer and produces the sparkle and sediment characteristic of bottle conditioned living Beer. Store upright, serve lightly chilled and **pour with care** to leave the natural sediment in the bottle. Ideally served at 12-14 degrees Celsius.

Brewed by **Oldershaw Brewery** Harrowby Grantham, brewers of traditional cask and bottle conditioned beer.
