

# YULETIDE

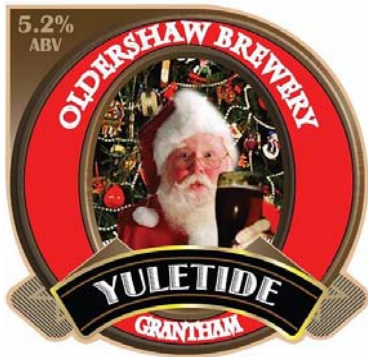

**Yuletide** is a flavoursome dark amber winter ale brewed with pale, crystal and chocolate malted **barley** and generously triple hopped with whole hop flowers.

Yeast is the Hallmark of a natural Beer and produces the sparkle and sediment characteristic of bottle conditioned living Beer. Store upright, serve lightly chilled and **pour with care** to leave the natural sediment in the bottle. Ideally served at 12-14 degrees Celsius.

**5.2%ABV**

**-Bottle Conditioned Beer-**

Brewed by **Oldershaw Brewery** Harrowby Grantham, brewers of traditional cask and bottle conditioned beer.
